

Product Specification

40W 600x600 LED Panel Light 105Lm/W

DEKS office 70% energy saving

Prime Applications

- Replacement for 600X600 Fluorescent 4 tube modular fitting offices, workshops, shops, commercial area
- 60% Energy saving VS Fluorescent
- 100% Maintenance Free
- No glare, instant on
- Dimmable or 3h Emergency option
- Mounting Height 2-3m
- Epistar SMD 4014 LEDs
- 5 Year Warranty
- Energy Technology List Compliant

Specification

Efficiency	105 Lumen/Watt
Power	40w---4200 Lumen
Construction	White Aluminium Bezel frame, Anti-glare Mitsubishi light guide, Power factor >0.9,
Build Standard	50,000 hours
Beam Angle	120 Degrees
Colour	6000/5000/4000 Kelvin
Dimensions	L W H 595x595x10mm
Fitting	Recessed, Suspended or surface Mounted
CRI / UGR	> 80 / <19
Certification	CE RoHS TUV
